DOMINION ORDERS IN COUNCIL.

[Ref. 22,146.]

AT THE GOVERNMENT HOUSE AT
OTTAWA.

Tuesday, the 30th day of June, 1908.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-
GENERAL IN COUNCIL.

WHEREAS a coal seam has been discovered within the boundaries of the Monte Hills Forest Reserve, situated in the Railway Belt in the Province of British Columbia, and applications have been received for the leasing of coal lands within the reserve;

And whereas lands within the forest reserves can be dealt with only under regulations established under the authority of the Dominion Forest Reserves Act, and no such regulations relating to mining claims have yet been established;

And whereas it was not the intention in the establishment of the forest reserves that the working of valuable minerals which might be found therein should be prevented,—

Therefore, His Excellency the Governor-General in Council is pleased to order that the regulations established by the Order in Council of the 9th May, 1907, for the leasing of lands for coal mining purposes, shall be and the same are hereby extended to and applied to lands within the forest reserves as established by the Dominion Forest Reserves Act, with the following restrictions:

1. No lease for coal mining rights within a forest reserve shall be granted until the application has been reported upon by the Superintendent of Forestry.

2. No lease for coal mining purposes shall entitle the lessee to purchase the surface rights, but the lessee may, upon application, be granted a lease, concurrent with that for the coal mining rights, for such portion of the surface rights thereof as the Minister of the Interior may consider necessary for the efficient and economical working of the coal mining rights granted under such lease.

3. That the lessee will do no unnecessary damage to timber and will carefully observe all the provisions of all regulations relating to forest reserves.

4. That no trees on the reserve will be cut by him without the permission of the Superintendent of Forestry, and that when any trees are cut by him he will carefully clear the ground of all tops and branches and other debris of such cutting, and will dispose of them as to prevent danger by fire, in accordance with the instructions of the officer in charge of the reserve. If, in order to so dispose of such debris, it is necessary to burn it, the lessee shall give due notice of his intention so to do to the officer in charge of the reserve, and before he proceeds to burn such debris shall obtain the consent of such officer, and shall comply with all the conditions imposed by such officer in regard to such burning.

5. That the lessee shall clear and at all times keep clear of inflammable material a space of at least one hundred feet in width surrounding his works or operations.

6. That any engine operated by the power of steam used by him in connection with his works or operations shall be fitted with efficient spark arresters, which shall at all times be kept in a state of good repair.

EXCERPT FROM RULES AND ORDERS RELATING TO
PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affecting therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (*see Journals*, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

NEW WESTMINSTER BY-LAWS.

STREET IMPROVEMENT DEBENTURE BY-LAW, 1908.

A By-law to enable the Council of the Corporation of the City of New Westminster to raise by loan the sum of fifty thousand (\$50,000.00) dollars for Street Improvements.

WHEREAS, certain sums of money have this year been expended out of the general revenue of the City for the construction, improvement and repair of certain streets and sidewalks, and it is expedient that certain additional sums be spent in like manner, amounting in all (with the sums already so spent) to the sum of fifty thousand (\$50,000.00) dollars:

And whereas it appears that if the said sum of fifty thousand (\$50,000.00) dollars be appropriated from the general revenue of the City for the current year, the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas for the payment of interest on the debentures proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures, the sum of two thousand nine hundred and forty-three and 27/100 (\$2,943.27) dollars:

And whereas in order to raise the said yearly sum of two thousand nine hundred and forty-three and 27/100 (\$2,943.27) dollars, an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof is four million one hundred and fifty thousand eight hundred and eighty (\$4,150,880.00) dollars:

And whereas the total amount of the existing debenture debt of the said City is one million eighty-seven thousand one hundred (\$1,087,100.00) dollars, irrespective of the sum of eighty-two thousand (\$82,000.00) dollars proposed to be raised under the "Waterworks Debenture By-law, 1908," the "Market Debenture By-law, 1908," the "Fire Debenture By-law, 1908," and the "Public Schools Debenture By-law, 1908," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

(1.) It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of fifty thousand (\$50,000.00) dollars, and to cause the same to be paid into the Treasury of the said City for the purposes mentioned herein:

(2.) It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of fifty thousand (\$50,000.00) dollars, for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures shall be sealed with the Seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised:

(3.) The said debentures shall be payable on the first day of July, 1958, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of interest, at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly, on the first day of January and the first day of

July in each and every year, and the said coupons shall be signed by the said Mayor:

(4.) A special rate on the dollar shall be levied and raised in each year, in addition to all other rates on all the ratable property of the City, sufficient to pay the interest upon the debentures and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same:

(5.) Subject as aforesaid, there shall be raised annually by special rate, as aforesaid, during the currency of the said debentures, the sum of two thousand five hundred (\$2,500.00) dollars for the payment of interest thereon, and the sum of four hundred forty-three and 27/100 (\$443.27) dollars to provide for the repayment of the principal:

(6.) The proceeds of the sale of the said debentures shall be applied as follows and not otherwise: Towards paying the cost of the passing of this By-law and the issue and sale of the debentures therein referred to; recouping the treasury of the City such sums as have been this year expended in street works, or may be so expended until the proceeds of the sale of the said debentures have become available; the making, improving, and repairing of such streets and sidewalks in the City as may be deemed expedient by the Council, but no sidewalk or street shall be made or repaired out of the moneys borrowed under this By-law unless the same shall have been first approved by a resolution of the Council:

(7.) This By-law shall take effect on the 1st day of August, 1908, and may be cited as the "Street Improvement Debenture By-law, 1908":

(8.) This By-law, before the final passing thereof, shall receive the assent of the electors of the said City in the manner required by law.

Received the assent of the electors on the 27th day of July, 1908.

Reconsidered, and finally passed in open Council, the 27th day of July, 1908.

MARKET DEBENTURE BY-LAW, 1908.

A By-law to enable the Council of the Corporation of the City of New Westminster to raise by loan the sum of six thousand (\$6,000.00) dollars for extension to market building.

WHEREAS certain sums of money have this year been expended out of the general revenue of the City for the construction of an extension to the Market Building, and it is expedient that certain additional sums be expended in like manner, amounting in all, with the sums already so expended, to the sum of six thousand (\$6,000.00) dollars:

And whereas it appears that if the said sum of six thousand (\$6,000.00) dollars be appropriated from the general revenue of the City for the current year, the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas for the payment of interest on the debentures proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures, the sum of three hundred and fifty-three and 20/100 (\$353.20) dollars:

And whereas in order to raise the said yearly sum of three hundred and fifty-three and 20/100 (\$353.20) dollars, an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is four million, one hundred and fifty thousand, eight hundred and eighty (\$4,150,880.00) dollars:

And whereas the total amount of the existing debenture debt of the said City is one million eighty-seven thousand one hundred (\$1,087,100.00) dollars, irrespective of the sum of one hundred and twenty-six thousand (\$126,000.00) dollars

proposed to be raised under the "Waterworks Debenture By-law, 1908," the "Fire Debenture By-law, 1908," the "Public Schools Debenture By-law, 1908," and the "Street Improvement Debenture By-law, 1908," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

(1.) It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of \$6,000.00, and to cause the same to be paid into the treasury of the said City for the purposes mentioned herein:

(2.) (3.) The said debentures shall be payable on the first day of July, 1958, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of the interest at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly, on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor:

(4.) (5.) Subject as aforesaid, there shall be raised annually, by special rate as aforesaid, during the currency of the said debentures, the sum of three hundred (\$300.00) dollars, for the payment of interest thereon, and the sum of fifty-three and 20/100 (\$53.20) dollars to provide for the repayment of the principal:

A By-law to enable the Council of the Corporation of the City of New Westminster to raise by loan the sum of thirty-two thousand five hundred (\$32,500) dollars for the construction of a reservoir at Queen's Park and connecting mains.

WHEREAS certain sums of money have this year been expended out of the general revenue

And whereas it appears that if the said sum of thirty-two thousand five hundred (\$32,500.00) dollars be appropriated from the general revenue of the City for the current year, the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is four million one hundred and fifty thousand eight hundred and eighty (\$4,150,880.00) dollars:

And whereas the total amount of the existing debenture debt of the said City is one million eighty-seven thousand one hundred (\$1,087,100.00) dollars, irrespective of the sum of ninety-nine thousand five hundred (\$99,500) dollars, proposed to be raised under the "Street Improvement Debenture By-law, 1908," the "Market Debenture By-law, 1908," the "Fire Debenture By-law, 1908," and the "Public Schools Debenture By-law, 1908," of which none of the principal or interest is in arrears:

A By-law to enable the Council of the Corporation of the City of New Westminster to raise, by a loan the sum of six thousand five hundred (\$6,500.00) dollars for the erection and equipment of a Fire Hall at Queen's Park, and for improvements and equipment for the Fire Hall at Sapperton.

WHEREAS it is proposed to erect and equip a fire hall at Queen's Park in the said City, and to improve and further equip the Fire Hall at Sapperton, in the said City, entailing the expenditure of \$6,500.00:

And whereas it appears that if the said sum of \$6,500.00 be appropriated from the general revenue of the City for the current year, the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas for the payment of interest on the debentures proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures the sum of three hundred, eighty-two and 63/100 (\$382.63) dollars:

And whereas, in order to raise the said yearly sum of three hundred eighty-two and 63/100 (\$382.63) dollars, an equal special rate on the dollar will be required to be levied on the whole ratable property of the city of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is four million, one hundred and fifty thousand, eight hundred and eighty (\$4,150,880.00) dollars:

And whereas the total amount of the existing debenture debt of the said City is one million, eighty-seven thousand, one hundred (\$1,087,100.00) dollars, irrespective of the sum of one hundred and twenty-five thousand, five hundred (\$125,500.00) dollars, proposed to be raised under the "Waterworks Debenture By-law, 1908," the "Street Improvement Debenture By-law, 1908," the "Market Debenture By-law, 1908," and the "Public Schools Debenture By-law, 1908," of which none of the principal and interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

(1.) It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be

willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of \$6,500.00, and to cause the same to be paid into the Treasury of the said City for the purposes mentioned herein:

(2.) It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of \$6,500.00 for such sums of money as may be required, not less than \$100 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures shall be sealed with the seal of the Corporation, signed by the Mayor and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised:

(3.) The said debentures shall be payable on the first day of July, 1958, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the holders thereof, and shall have attached to them coupons for the payment of interest, at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly, on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor:

(4.) A special rate on the dollar shall be levied and raised in each year, in addition to all other rates on all the ratable property of the City, sufficient to pay the interest upon the debentures and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same:

(5.) Subject as aforesaid, there shall be raised annually, by special rate as aforesaid, during the currency of the said debentures, the sum of three hundred and twenty-five (\$325.00) dollars for the payment of interest thereon, and the sum of fifty-seven and 63/100 (\$57.63) dollars to provide for the repayment of the principal:

(6.) The proceeds of the said debentures shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law and the issue and sale of the debentures therein referred to, and all expenses in connection with the said loan; recouping the treasury of the said City such sums as have been this year expended, until the proceeds of the sale of the said debentures have become available, and towards the cost of the erection and equipment of a fire hall at Queen's Park, and improvements and equipment for Fire Hall at Sapperton, aforesaid:

(7.) This By-law shall take effect on the 1st day of August, 1908, and may be cited as the "Fire Debenture By-law, 1908":

(8.) This By-law, before the final passing thereof, shall receive the assent of the electors of the said City in the manner required by law.

Received the assent of the electors on the 27th day of July, 1908.

Reconsidered, and finally passed in open Council, the 27th day of July, 1908.

PUBLIC SCHOOLS DEBENTURE BY-LAW, 1908.

A By-law to enable the Council of the Corporation of the City of New Westminster to raise by loan the sum of thirty-seven thousand (\$37,000.00) dollars for School Purposes.

WHEREAS the Board of School Trustees of the City of New Westminster have caused to be prepared and laid before the Council a detailed estimate of the sums required by the Board for the current year's ordinary expenses of maintaining the schools in the said City of New Westminster; and have also prepared a like detailed estimate of the sums required to meet any special or extraordinary expenses legally incurable by the Board, which last-mentioned estimate is subject to consideration, alteration and final approval by the Council, and the same has been finally approved by the Council:

And whereas the amount required under the said last-mentioned estimate amounts to \$37,000.00, made up as follows:—Thirty thousand (\$30,000.00)

dollars for the purchase and clearing of the site, and for the erection and equipment of the new Westside School; seven thousand (\$7,000.00) dollars for repairs and general improvements:

And whereas by section 40 of the "Public Schools Act, 1905," as re-enacted by section 30 of the "Public Schools Act, 1905, Amendment Act, 1906," any statute to the contrary notwithstanding, the Council of any city, town or rural municipality in the Province, including the City of Vancouver and New Westminster, may in each and every year pass a By-law, or By-laws, for levying a special rate of not more than five (5) mills on the dollar for school purposes, and the Council may, in addition to such rate, apply any portion of the ordinary revenue to school purposes:

And whereas it appears that the amount required to meet the current year's ordinary expenses of maintaining the schools will exhaust the amount authorised to be levied under section 40 of the "Public Schools Act, 1905," as re-enacted by said section 30 of the "Public Schools Act, 1905, Amendment Act, 1906," and it will be necessary also to apply a portion of the ordinary revenue for such purposes:

And whereas it appears that if the said sum of \$37,000.00 be appropriated from the general revenue of the City for the current year, the rate of taxation will be excessive, and it is expedient that such excessive taxation should be avoided, and the said sum should be raised on the credit of the Corporation, and that debentures should be issued for that amount:

And whereas for the payment of interest on the debentures proposed to be issued under this By-law, and for creating a sinking fund for the payment of the said debentures when due, it will be necessary to raise by special rate, in addition to all other rates, each year during the currency of the said debentures, the sum of two thousand, one hundred and seventy-eight and 02/100 (\$2,178.02) dollars:

And whereas in order to raise the said yearly sum of \$2,178.02, an equal special rate on the dollar will be required to be levied on the whole ratable property of the City of New Westminster:

And whereas the whole ratable property of the said City, according to the last revised assessment roll thereof, is four million one hundred and fifty thousand eight hundred and eighty (\$4,150,880.00) dollars:

And whereas the total amount of the existing debenture debt of the said City is one million eighty-seven thousand one hundred (\$1,087,100.00) dollars, irrespective of the sum of ninety-five thousand (\$95,000.00) dollars proposed to be raised under the "Street Improvement Debenture By-law, 1908," the "Waterworks Debenture By-law, 1908," the "Fire Debenture By-law, 1908," and the "Market Debenture By-law, 1908," of which none of the principal or interest is in arrears:

Now, therefore, the Municipal Council of the Corporation of the City of New Westminster enacts as follows:—

(1.) It shall be lawful for the Mayor of the said City to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the debentures hereinafter mentioned, any sum or sums of money, not exceeding in the whole the sum of \$37,000.00, and to cause the same to be paid into the Treasury of the said City for the purposes mentioned herein:

(2.) It shall be lawful for the Mayor to cause any number of debentures to be made, not exceeding in the whole the sum of \$37,000, for such sums of money as may be required, not less than \$100.00 each, or an equivalent expressed in pounds sterling of the United Kingdom of Great Britain and Ireland, at a value of 4.866 to the pound sterling; and all such debentures shall be sealed with the seal of the Corporation, signed by the Mayor, and countersigned by the Treasurer thereof, or by such other person or persons as may be thereunto lawfully authorised:

(3.) The said debentures shall be payable on the first day of July, 1958, at such place or places as the Council of the said Corporation may from time to time appoint, with the approval of the

holders thereof, and shall have attached to them coupons for the payment of interest, at the rate of five per centum per annum on the amount thereof, which interest shall be payable half-yearly, on the first day of January and the first day of July in each and every year, and the said coupons shall be signed by the said Mayor:

(4.) A special rate on the dollar shall be levied and raised in each year, in addition to all other rates on all the ratable property of the City, sufficient to pay the interest upon the debentures and to create a sinking fund for the payment of the principal thereof when due, subject to any Act or enactment respecting the same:

(5.) Subject as aforesaid, there shall be raised annually, by special rate as aforesaid, during the currency of the said debentures, the sum of \$1,850.00 for the payment of interest thereon, and the sum of \$328.02 to provide for the repayment of the principal:

(6.) The proceeds of the sale of the said debentures shall be applied as follows, and not otherwise: Towards paying the cost of the passing of this By-law and the issue and sale of the debentures therein referred to and all expenses connected with the issuance of the said loan; and the balance shall be paid over from time to time, as required, upon the order of the Trustees, by the City Treasurer, to the several persons to whom such moneys are payable:

(7.) This By-law shall take effect on the 1st day of August, 1908, and may be cited as the "Public Schools Debenture By-law, 1908":

(8.) This By-law, before the final passing thereof, shall receive the assent of the electors of the said City in the manner required by law.

Received the assent of the electors on the 27th day of July, 1908.

Reconsidered, and finally passed in open Council, the 27th day of July, 1908.
